Do you qualify?

Your business will be assessed on the following criteria to ensure eligibility for the AI & Tech zone.

- Be active in the pharma, biopharma, packaging, drug delivery or medical device sector
- The entity should be working towards innovation & tech-forward solutions including MES, ERP, supply chain optimization, IoT-enabled production, and predictive maintenance solutions designed to scale pharma manufacturing
- The organisation should be incorporated as a private limited company or registered as a partnership firm or a limited liability partnership
- Can commit to attending PMEC India in person

**Informa Markets reserves the right of refusal to applicants deemed not to fit the required criteria.*

Why exhibit in the AI & Tech Zone?

- **Global Reach:** PMEC India is South Asia's Premier exhibition for the pharmaceutical machinery, packaging, and technology offering extensive opportunities to connect both in-person and online via our marketplace, CPHI & PMEC India Online.
- **Showcase and Network:** Showcase your product and connect with potential buyers, innovation scouts, investors, and peers all in one location.
- **Join a Leading Event:** PMEC India brings together production solutions, new technologies, and engineering expertise, all focused on pharmaceutical processes and equipment to enhance efficiency, compliance, and manufacturing performance.
- **Industry Insights:** Gain valuable insights into the pharmaceutical and biopharma markets, including the latest trends, regulatory updates, and market intelligence.
- **Proven Success:** With over 18 years of history, CPHI & PMEC India has a track record of bringing together industry professionals for success. Secure your spot today and be part of shaping the future of pharma.
