▶ RECAP: VISITOR TESTIMONIALS

“ It was a great opportunity to attend CPHI China 2026 in Shanghai, one of the world's leading pharmaceutical industry exhibitions. Over the course of the event, I had the privilege of connecting with global manufacturers, suppliers, and industry professionals, while exploring the latest developments in APIs, intermediates, formulations, regulatory trends, and pharmaceutical innovation.

— **Endoc Lifecare Pvt. Ltd.**

“ A very productive 3-day event in CPHI China, with many valuable new contacts, insightful discussions and exciting projects identified. A clear conclusion from these days: China is no longer just a manufacturing hub; it has become a key player and a major source of innovation in pharma. Looking forward to turning these opportunities into strong partnerships and future collaborations.

— **Laboratorios Rubió**

“ Attending CPHI China 2026 was an extraordinary experience full of valuable learnings and opportunities. I met outstanding suppliers, explored innovative solutions, and built meaningful connections with incredible professionals. It truly reinforced the power of strong global partnerships and innovation in our industry

— **Grupo Carval**

▶ RECAP: EXHIBITOR TESTIMONIALS

“ We had meaningful conversations about market strategies and device technologies. We look forward to continuing these conversations at future events across APAC and beyond.

— **SHL Medical**

“ CPHI China 2026 once again proved to be a valuable platform for connecting pharmaceutical and healthcare businesses worldwide. From June 16–18, BIVID had the opportunity to engage with industry leaders, manufacturers, distributors, and healthcare innovators from across the globe. The event brought significant interest to our products and services, leading to many meaningful discussions and promising partnership opportunities.

— **Bivid Pharma**

“ We are on the ground at CPHI & PMEC China 2026 and the energy here says it all: this is where connections turn into progress across the value chain. Collaboration and creating added value are what matters most. What an incredible experience at CPHI Shanghai 2026! This edition was packed with amazing moments.

— **Brenntag**

▶ RECAP: CONTENT FACTS & FIGURES

This year's event featured over 110 high-quality conferences with more than 800 industry leaders and experts, covering global regulatory trends, overseas expansion, R&D innovation, emerging technologies, pharmaceutical engineering, and quality control—driving knowledge exchange and collaboration across the pharmaceutical value chain.

Event

We are doing this by:

- CPHI & PMEC China promotes **sustainable developments in pharma** through its dedicated Environmental Protection Zone, diverse content sessions on sustainability and enduring partnerships with NGOs.
- **Better Stands** is about moving away from the use of disposable stands to not only vastly reduce waste, but also improve the ease, safety and sustainability of the exhibitor experience at CPHI & PMEC China.
- CPHI & PMEC China is powered by **renewable electricity**, which is carbon neutral, greatly reducing our event's carbon footprint.
